Giving honor and praise to our Lord and Savior Jesus Christ, I thank God for making it possible for me to start the assignment he has given me, it is a very large assignment and I have been stealing away to complete it. Satan has sent a lot of roadblocks in my way but each time I have bypassed him and continued doing this assignment. I know it will be a blessing to many once I finished it. I have not finished yet, hopefully around March, I should be finished if not before. Thank you for praying for me.

Money is a problem everywhere and we all need it to survive and do things for the Kingdom sake. This is what I found out, when I don't have any money and no place to even borrow from, I simply pray to the Lord for help, I remind The Lord of what I need it for and then I start praising him for the

money in advance and expecting it; and by faith things just work out, God just makes it happen right before my eyes. My advice to you is to do that don't try to hurry God just trust him after asking and he will work it out for you. You will see. He is your Father he will help you.

I became frustrated over my car repairs but God fixed everything and led me to a good honest mechanic. I just got in the car drove to several places but didn't feel led to even get out of the car to talk with them.

I decided I would just go back home and pray some more, but the Lord had me to pull in this place and I still didn't get out of the car for 5 mins. Then a man came up to me before I went inside and start telling me how good and honest this mechanic was, I had not opened my mouth to anyone yet. This was

God letting me know I was in the right place, the mechanic **was** a Christian from Haiti. Thank God he was able to fix the car for a low price.

I walked in a store Saturday and a man was dying on the floor from a heart attack, Jesus said pray and keep praying for him. They brought him back 3 times from death, he had stopped-breathing; God was merciful to this heart patient to let him live.

## A Christmas Message for Everyday

Hear ye all people that a Son was born and a child was given It is a gift from God. Because God is Love and Love is God he gave his only begotten son for us. He told his Disciples to hear ye him and today we need to heed to the same command, hear ye him. In the beginning was the Word and the Word was with God and the Word was God, this is the same Word he gave to us. Read his written Word and learn of him, obey is Word and you will know the way to eternal life. His birth is a joyous and precious occasion that expresses his Love to all of us! Giving, sharing and Loving as he has taught us; help someone less fortunate than yourself and you will feel the Love of God. Have a Blessed Christmas in Jesus Name.

## Persecuted Christians Around The World

### Scripture reading\_

- Reading your bible as a Christian is a daily requirement ; Why? Because Jesus is speaking to you through his word. You have a chance to read about him and his attributes, what he expects from you and how to worship and praise him.

- It is the most important Book in the world , it leads to eternal life. Please take time to read it.

- Suggested reading for Dec. 2009  
The Book of Hebrews

Please remember to pray for the persecuted Christians around the world. Many do not have the religious freedom we have. Some put to death for their worship and conversion to Christianity.

Since the death of Jesus Christ 2000 years ago, 43,000,000 Christians have become martyrs. Over 50% of these were in the last century alone.

More than 200 million Christians face persecution each 60% are children. Everyday over 300 are killed for their faith in Jesus Christ.

Won't you pray with us, be one of the 500,000 intercessors all over the world.

### Countries with Anti-Christian Offenses:

India, Pakistan, North Korea, Iran, Sudan, Vietnam, Sri Lanka, China, Russia, Syria, Turkey, Iraq, Turkey, Laos, Indonesia, Egypt, Morocco, Jordan, Palestine, Yemen, Somali, Eri-Cuba, Nigeria, Philippines and many more. Many European countries are being taken over by Muslims, pray for strong Christians in those countries to stand for Jesus.

Remember to include them in your prayers.

## Persecuted Christians in the News, Please Pray Much

USA- America is coming under attack with her religious freedom, there is an Organization in Washington who is trying to pass Bill 2493 to stop all preaching by Pastors on Radio, TV and any other Media. In addition they are asking for all Christmas programs, singing of Christmas Carols to be outlawed. You cannot say a prayer at any public event or sport games and graduation ceremonies. They even want to take "in God we trust off all the money ". In the courts they want to remove the Bible when you testify. Slowly as you can see, Satan has taken a hold of this country and many are blinded to his devices. We have 50 States and many are giving in to Homosexual marriages and acknowledging them as a real married couple. They are trying to forbid Preachers from saying it is wrong and against God's Word. They are trying to charge the Preachers with a crime called a "hate crime". We ask for your prayers, you can see what is happening. The Christians in this country let Satan remove prayer from our schools in the 80's and now this is.

Kenya- The Government has passed a law that anyone found preaching or making noise more than 30 meters from their church; preaching the Word of God will be fined of 300,00 ksh or 18 years in jail. The Muslims want the freedom to have Kadhi Courts where they will use the Sharia Laws. Please pray for Kenya, this will really affect the outdoor crusades that many churches do in that country.

Uganda- Historically, Uganda has been a country where Christians and Muslims have been able to live side-by-side in peace and This is why the recent attack by a group of radical Muslims against a Christian worship service in Kampala, Uganda is raising so many questions and concerns. The recent attack was carried out by 40-member Islamic mob who used machetes and large clubs to beat the startled Christians and damage their place of worship. "When Muslims become a majority, even in one part of a country where Christians are the majority, they become very vocal, extremist, and radicalized," said Jonathan Racho of International Christian Concern.

This is a very powerful dying declaration by a Pastor who was killed for his faith in Jesus Christ, draw strength from this, Praise God:

### "Colors"

Read this statement by a young African pastor. Found among his papers in Zimbabwe after he was  
Martyred

I'm a part of the fellowship of the unashamed. The die has been cast. I have stepped over the line. The decision has been made. I'm a disciple of His and I won't look back, let up, slow down, back away, or be still.

My past is redeemed. My present makes sense. My future is secure. I'm done and finished with low living, sight walking, small planning, smooth knees, colorless dreams, tamed visions, mundane talking, cheap living, and dwarfed goals.

I no longer need preeminence, prosperity, position, promotions, plaudits, or popularity. I don't have to be right, or first, or tops, or recognized, or praised, or rewarded. I live by faith, lean on His presence, walk by patience, lift by prayer, and labor by [Holy Spirit](#) power.

My face is set. My gait is fast. My goal is heaven. My road may be narrow, my way rough, my companions few, but my guide is reliable and my mission is clear.

I will not be bought, compromised, detoured, lured away, turned back, deluded or delayed.

I will not flinch in the face of sacrifice or hesitate in the presence of the adversary. I will not negotiate at the table of the enemy, ponder at the pool of popularity, or meander in the maze of mediocrity.

I won't give up, shut up, or let up until I have stayed up, stored up, prayed up, paid up, and preached up for the cause of Christ.

I am a disciple of Jesus. I must give until I drop, preach until all know, and work until He comes. And when He does come for His own, He'll have no problems recognizing me. My colors will be clear!

Have a Blessed Christmas, Keep Jesus in it, let your light shine!
